

Payment Plan

We are excited to offer a monthly payment plan to assist families in meeting their monthly budget planning.

Tuition can be paid in full at the beginning of the semester or student may register for an **automatic monthly withdrawal system**.

Details

Payments are divided evenly through four (4) monthly installments. Monthly drafts will occur on the **20th day of each month**.

All students are required to pay the \$15 registration fee and \$50 deposit to claim their spot at MPAA for the semester.

When you apply through our online portal, there will be a section for you to provide your banking information that will be used for automatic withdrawal. If this section is not filled out, then MPAA will need the payment in full by the beginning of the semester.

Policies

If any payment is returned by the financial institution, then the student **WILL NOT** receive his/her private instruction until the payment is made.

If no payment or no contact has been made to the MPAA director for two consecutive weeks, then the private instructor has permission to fill your time slot with another student.
